

Participating Policies

Through this agreement, I express that I am aware of and accept the policies to be followed in the Pre-College Program, scheduled from July 14 to July 25, 2025, at the Tecnológico de Monterrey Campus Querétaro.

I understand and agree that:

- My punctuality and attendance to all activities are essential for the successful development of the program.
- I cannot separate from the group at any time, both during activities and leisure time.
- Leaving the campus for reasons unrelated to program activities is not allowed under any circumstances, whether for family or social reasons.
- Tecnológico de Monterrey is not responsible for any misconduct I may engage in, on or off-campus.
- Tecnológico de Monterrey is not responsible for any inconveniences or anomalies arising from airline and/or ground transportation services.
- Tecnológico de Monterrey is not responsible for my personal expenses, extra lodging nights, or any costs incurred for activities not included in the program, such as meals, local transfers, visits, medical expenses resulting from illness or accident (for which we recommend having major medical insurance with international or Mexican coverage), among others, except for those detailed as official.

Tecnológico de Monterrey commits to providing the following:

- Activities in laboratories and workshops.
- Visits to companies.
- Integration events.
- Dinners, breakfasts, and lunches on the dates and locations detailed in the program.
- Campus facilities tour.
- Trips to recreational places in the city as detailed in the program.
- Lodging at Residencias Querétaro exclusively on agreed-upon dates.

- Transportation from the airport to Tecnológico de Monterrey and from Tecnológico de Monterrey to the airport exclusively on agreed-upon dates.
- Finally, I agree that the Pre-College Program management committee reserves the right to condition and/or withdraw any attendee who fails to comply with any of the points mentioned in this document.
